# THE 2010 3-ON-3 YOUTH SPRING LEAGUE

In an USA Hockey time study, on average a player will handle the puck for only five to ten seconds in a traditional game! 3-on-3 Youth Spring League provides experienced players age levels Mite through Midget with a fun and competitive atmosphere to increase their overall level of play. With fewer players on the ice, it enhances each player's creativity and individual skills. The wide open style of play increases the number of scoring opportunities. Goaltenders will be challenged more than in a traditional game due to the number of odd man rushes they will face. In addition to the odd man rushes, goalies will also be tested in the breakaway department as any penalty called during the game will result in a penalty shot.

The 3 on 3 concept is an excellent way for players to stay on top of their game. Whether you are looking to improve your stickhandling, increase your level of conditioning, perfect those finishing moves or just looking for some fun, the Wintersport 3-on-3 Spring league has it all!

**9 (NINE) GAMES PLUS CHAMPIONSHIP & AWARDS, 2 LEVELING SESSIONS & ONE TEAM PRACTICE, JERSEY AND LEAGUE STATS ALL INCLUDED IN FEES FOR ALL LEVELS!**
